

# Veneered Flush

## What makes our Veneered Flush range great value?

Constructed with a full timber frame (unlike alternatives on the market) both our standard and FD30 🔥 veneered flush doors are manufactured to a higher standard, plus they are priced more competitively.

### Veneered Flush Standard Door Construction

### Veneered Flush FD30 🔥 Fire Door Construction

## Pay less for a better quality product – a win win situation!

**Superior construction at market beating prices.** We're confident we can beat the price of lower quality alternatives.

### Bespoke options:

FD30 glazing service, special sizes and alternative veneers are available to order.
