

Internal Doorsets

Easy onsite door installation that gives a perfect fit every time

All of our internal doors, including fire doors, can be supplied as factory pre-assembled Doorsets. The perfect door solution for self builds, new housing and apartment developments.

BENEFITS OF A DOORSET

Save time

Each Doorset is pre-hung and ready to install.

Labour cost saving

Quicker fitting times help reduce onsite costs.

Single sourcing

Ease of purchasing all door related components in one place.

Fully certificated

Peace of mind that each Fire and Security rated Doorset is fully compliant.

Factory controlled

Each Doorset is assembled in a factory environment to ensure consistency and quality.
